Thanks Hema. I also wish to object most vigorously to the proposed development of the Strawberry Fields Site "Agricultural Building". Mr Hughes has put in for retrospective planning. He is obviously hoping to get away with building a residential house claiming that it is a feed store and storage unit. The plans he has proposed don't seem to me to bear much resemblance to what is there!! Will this also be discussed at the Open Meeting?? Stewart Tavner.

Dear Stewart and Elaine,

Thank you for your email. It has been shared with the councillors and will also be shared during the public meeting next week. We are still to confirm the meeting date of the 29th.

A meeting notice will be posted on our website and on the notice boards to confirm the date.

Public comments can also be made directly against a planning application on the West Somerset Council website:

 Objection to development of Silk Mills site.

Dear Mrs Stanley

Please find attached a copy of the document we have prepared listing our objections to the proposed development of the Silk Mills Site. We would be grateful if you would circulate this to the parish councillors. We understand there will be an open meeting about these proposals on the 29th May?

Thankyou. Yours, Stewart and Elaine Tavner.
