CHAIRMAN'S REPORT FOR MONDAY 10<sup>TH</sup> SEPT 2018

Hi all not a huge amount to report on this time around, one of the busiest topics again was planning.

As far as I can tell the only applications still waiting a decision are silk mills and strawberry fields.

The Child pads in the defibrillator have been updated. This will be discussed during the meeting.

It would appear the Village hall are closer than ever to there start of works and the turf cutting seemed to go well.

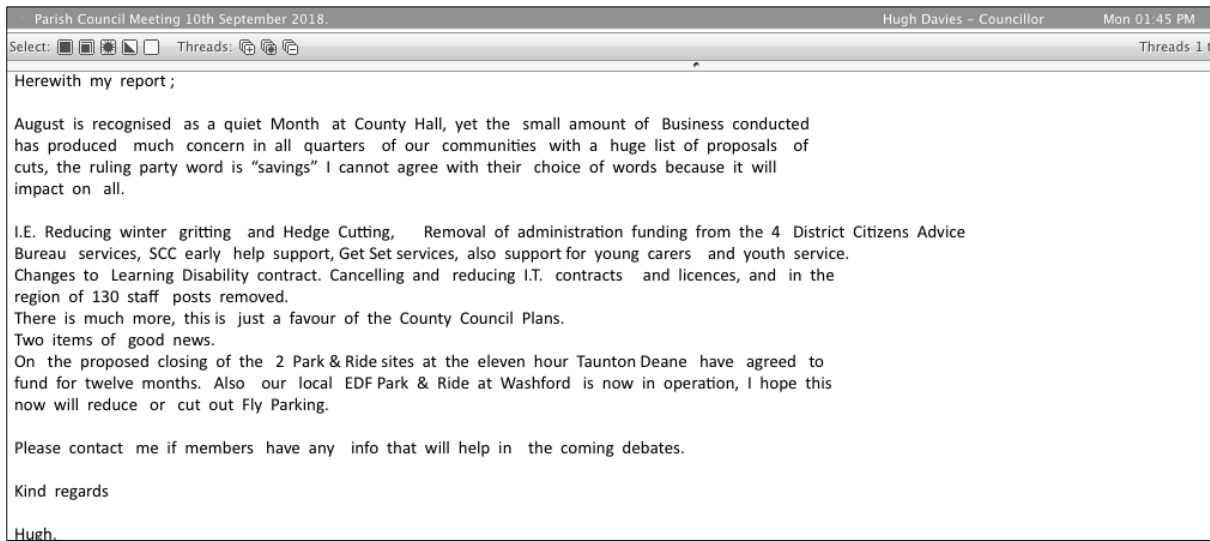

I would like to thank Gareth and his team for allowing us to use this space for our meetings until the hall is finished.
