**To:** [redacted] council.org  
**Subject:** [redacted] Council meeting 12th November 2018.

Dear Arena

As I have a clash of meetings with Holford P.C. (they only meet every other month) may I tender my apologies. Thank you.

My Report.

1...

One of the outcomes of S.C.C. 12<sup>th</sup> September 2018 "CUTS" is a Consultation on the proposed changes to services and support for "Children and Families"

The proposal being considered is to stop the S.C.C. GETSET SERVICE Contribution to support for families with Level 2 needs.

Will drop in a info sheet

2...

Plan of Roads which are gritted this winter.

3...

HPC Transport Forum Review Group Quarterly Report 2018, Q3.

As your representative was unable to attend I thought this handout may be useful.

4...

County wide Parking Review.

A full consultation exercise for each town will take place with all Stakeholders (District, Town/Parish Councils) and the community to identify all issues. In addition existing evidence and feedback issues will be collected and used where appropriate. Feedback from the initial consultation will inform any draft design for further Consultation.

Five areas are in the first review, Watchet will be in the second phase. I have phoned County regarding the start of this review also asked why Watchet Town is not in the First phase? At the time of writing this report no reply!

5...

More funds available to support Somerset Libraries Redesign.

[redacted]

6...

Community Leisure Services.

S.C.C. will end its role with 1610 Limited who provide community leisure services

on 8 school sites across the county, ( Minehead, West Somerset College) which expires at the end of March 2019.

But not all bad news I note in the "Free Press 9/11/18" Bridgewater College Trust will take over and improve the sports centre's provision.

7...

Also more good news

West Somerset Council have been received a grant of £182,500 from S.C.C. this is for agreed activities within the Delivery Plan for the

West Somerset Opportunity Area Programme.

8...

County Hall

New Opening Hours -- County Hall.

From 1<sup>st</sup> November 2018. A-Block Visitors Reception relocating to B-Block as part of refurbishment work.

8.30 a.m. until 5 p.m. Monday to Thursday.
