Hi Hema

Please give apologies for myself and Chris for tonight's meeting - we have to attend an extraordinary meeting of the Shadow council this evening in Taunton.

I have a short report to give :

" The Shadow council for the new authority continues to meet alongside various shadow committees to ensure that everything is in place for the new council in next April. A new chief executive , is to be announced at this evenings special meeting."

Hinkley C .

The largest mobile tower crane in Europe , capable of lifting up to 1000 tons, is due to be delivered to the site from Belgium in Quarter 1 next year. It will take 280 Hgv deliveries , which will be limited to 10 per day to keep within delivery caps.

There will be a Hinkley C jobs fair to be held locally on Wednesday 28 th November , 9 30am to midday at Tbe Greyhound Inn, Stogursey - with job opportunities for all residents of the surrounding parishes.

Kind regards  
Sue
