Hi Hema

Thank you for asking me to tender again for Holford's summer grounds maintenance, hopefully that means the Parish Council has been happy with our maintenance over the previous years. As you know we have maintained the Parishes grounds for the last 2 summers and from our perspective all has gone well. Our trained and skilled team get on with the tasks, ensure they have their job specific risk assessment, wear hi-viz clothing for roadside working, man at work signage, 1st aid kits, spill trays and spill kits. We have a range of suitable kit, our pedestrian SCAG flail mowers are the perfect tool for the grassy areas, being wide enough to cover good strips while not being too big to not negotiate around signs, bollards, trees etc. We are a locally based business, based at Over Stowey so travel to site is minimal, and additional visits are easily planned in. We have £5m public liability insurance.

To cut and maintain the areas you require on a monthly basis would cost £165 plus vat per visit.

I hope this is acceptable

many thanks

Matt Peaster

It's that time of year... please find below our tender document for parish maintenance for the coming year.

**Tender.**

I hope to hear from you.

Many thanks,  
Hema Stanley.
