Happy New Year Hema,

Forgive me but I will be attending late due to Watchet Town Council meeting starting the same time as yours, I hope to be Zooming to you about 7.45.p.m.

I will commence by highlighting Press Releases I have dispatched.

1; SCC Climate Emergency Community Fund.  
Delay in Final Decision Making Due To Covid-19 Pressures.

2; Somerset Vaccination Programme expands 8<sup>th</sup> January 2021.

3; Access to information and advice -public survey.  
Will be launched from 10<sup>th</sup> December 2020 until February 2021.

4; Somerset Cabinet member champions “ Dry January”  
Cllr Paul with responsibility for Health & Wellbeing will be doing her Best to abstain from alcohol in January – and sharing her experiences On social media, along with tips on zero-alcohol alternatives.  
If you drink very heavily regularly, Dry January may not for you. Check with your GP or local alcohol service- BEFORE YOU START. Help is available locally at [www.turning-point.co.uk/services/sdas](http://www.turning-point.co.uk/services/sdas)

5; At time of writing this report have not received any further info regarding the Unitary two business cases submitted to the RT Hon Robert Jenrick MP, Secretary of State for Housing, Communities and Local Government. The minister did send at Christmas a Thank you letter to all in Local Government which I copied to all Parish Clerks.

6; At your last meeting I reported on the resumption of EDF Free Community Sadly now I report that we are now placed in Tier 4 with associated restrictions essential only, SPS will not be running the Community Bus Service until further notice. Its ironic that the day of the announcement to suspend was the day it was to resume after the Christmas break.

7; Regarding Mr Ron Hall (living at Kilve) complaint on flooding at Portway Lane between Doddington and Dyche has there been a visit or contact direct as I have not receive any report from SCC highways.

Await questions or help you may required

All please keep safe

Hugh
