The Clerk
Holford Parish Council

Dear Sirs

Re Williton Allotments

Since 2006 Williton Allotments has been run as an Association to provide allotment plots for residents of Williton and its surrounding parishes, including Holford , using land rented from a private landowner. That landowner is now selling the land and an adjoining plot of land and has offered it to Williton Allotments.

It is Williton Allotments intension to accept this offer to safeguard the existing allotment site as allotment plots and create additional plots on the extra land together with a communal and wildlife area, and extra car parking. Once Williton Allotments have completed the purchase the allotment site will be protected in perpetuity as allotments.

If Williton Allotments are not able to secure the purchase of the land it will be sold to a third party and the survival of the allotments as a valuable amenity for local residents, even on a short-term basis, cannot be guaranteed.

To help facilitate this potential purchase the Association has recently registered as a limited cop-operative society with the FCA.

Williton Allotments Ltd is actively fund raising and is applying for grants to finance the purchase and ask for your support in this project. It is appreciated that because of the location outside of your parish you may not be able to provide any financial support but a letter from you supporting us will help with applications that we will be submitting to grant funders. If you are able to help us financially that will be very gratefully received and acknowledged in any reports we subsequently make.

Yours Faithfully
