Comments should be limited to relevant planning issues.

How do I register to speak at Planning Committee?

A request to speak must be made by email or telephone to the Council's Democratic Services team no later than 12 noon on the working day before the Committee meeting.

For those speaking to object or support the proposal, the speaking slots will be allocated on a first come first served basis. If there are numerous members of the public wishing to speak in one slot it is advisable to make arrangements for one person to make a statement on behalf of all.

The meetings are hybrid and you can speak either in person at the meeting or virtually. If you wish to speak at the meeting virtually a link will be sent to all those registered.

If you have registered to speak, the Chairman will invite you to speak at the appropriate time during the meeting.

Please be advised that you cannot present documents in any form to the Committee Members at the meeting – this includes photographs and presentations (including Powerpoint presentations).

Virtual meeting etiquette:

- Consider joining the meeting early to ensure your technology is working correctly - you may have to wait in a lobby until being admitted to the meeting.
- Please note that we will mute all public attendees to minimise background noise and request that your camera is off until you are called to speak to ensure clear presentation of the applications. If you have registered to speak during the virtual meeting, your microphone will be unmuted at the appropriate time.
- When speaking, keep your points clear and concise.
- All public speaking must be conducted in a polite and respectful manner.
- Speakers are requested to refrain from making personal comments relating to Members or Officers of the Council.

Presentation of planning applications

The Planning Officer will present the application to the Committee explaining the factual matters and any salient points which need to be drawn out with the use of a visual presentation. It is important to note that the Planning Officer is **not** an advocate for either the applicant or any third parties but will make a professional recommendation based on the merits of the proposal and any relevant material considerations.

The role of Officers during the debate of an application

When an application is considered at Planning Committee, it is the Officers' role to confirm the material considerations, the recommendation and answer any points of clarification or questions that Members may have. Whilst the Committee has to reach its own decision bearing in mind the Officer advice, report and recommendation, the Lead Planning Officer and Council Solicitor have a professional obligation to ensure that a lawful and unambiguous decision is made in accordance with the Council's Development Plan, planning legislation, regulations and case law. This means that, if a contrary decision is sought, they will need to explain the implications of doing so. This can sometimes mean that Officers need to advise and guide Members as to planning policy, what are or are not material considerations, what legally can or cannot be considered or given weight and the likely outcome of any subsequent appeal or judicial review.

Recording of the Meeting

Please note that this meeting will be recorded, and the recording will be made available on the Council's website.

You should be aware that the Council is a Data Controller under the Data Protection Act 2018. Data collected during the recording will be retained in accordance with the Council's policy. Therefore, unless you are advised otherwise, by taking part in the Council meeting during public participation you are consenting to being recorded and to the use of the sound recording for access via the website or for training purposes.

Minutes of the Meeting

Details of the decisions taken at the meeting will be set out in the Minutes, which the Committee will be asked to approve as a correct record at a following meeting. In the

meantime, details of the decisions taken can be obtained from Democratic Services.

Public Speaking on items other than planning applications

Members of the public can speak at any public meeting of the Council, including the Planning Committee, by registering with Democratic Services two working days before the meeting and providing brief details on the subject matter. The maximum time for each speaker is three minutes.
